Mission Statement

Our community* nurtures individuals to be creative and literate in a diverse world. *If you are reading this, you are a part of our community.

Principal's Highlights

We are proud to maintain high expectations for staff, students and families with a focus on Nevada Academic Content Standards, differentiated instruction and teacher collaboration. The Steve Schorr Elementary School community strives to be an inclusive environment where student success is the focus.

- We provided full-day classes for all kindergarten students to strengthen student preparedness for first grade skills.
- Weekly grade-level planning time was held to enhance teacher collaboration, consistent instruction delivery and horizontal alignment of curriculum and enrichment.
- Consistent grade-level intervention/enrichment blocks were created for teachers to provide daily reading and math intervention and enrichment for identified students.
- Response to Instruction (RTI) procedures brought a multi-disciplinary team together weekly to make instructional decisions for students struggling academically and behaviorally.
- Inclusive practices were followed to promote inclusion for special education students as appropriate.
- ST Math was implemented school-wide to provide consistent practice of math skills.
- Students participated in "Be Kind" daily incentives and monthly recognition to promote positive character traits.
- Extra-curricular Art Club, Drama Club and Technology Club offered students additional ways to express their creativity.

Goals and Objectives

Goal 1

Increase Grade 3 proficiency rates in reading.

Objective(s):

Increase the percentage of 3rd grade students who are proficient in reading from 74.2% to 78% as measured by state assessments.

Goal 2

Reduce the achievement gap between the highest performing and ethnic/racial subgroups in both reading and math.

Objective(s):

Reduce the math proficiency gap from 28% to 23% and the reading proficiency gap from 43% to 35% as measured by state assessments.

School Communication Efforts

ParentLink, student agendas, phone calls, email and the Schorr Elementary School website were used for regular two-way communication with families and the community. Student progress reports were sent home every other week to keep families informed about students' academic performance. We held family events, including Open House, Literacy Night, Harvest Festival, Spring Fling, a Parent Volunteer Tea and end-of-year Awards Assemblies. The principal held monthly informal meetings with parents to discuss school programs. The PTA planned events to benefit the students, including All Fired Up, Bingo Night and monthly family dinners at local restaurants. The PTA also facilitated the Watch DOGS (Dads of Great Students) program to encourage the involvement of fathers in the community.
